

Cleaning Schedule

Use this cleaning schedule to provide a program for your employees to ensure proper cleaning procedures in your work facility.

If barrier covers are used (e.g. light handle covers, exam table covers, chair covers etc.), they must be changed between patients.

| | After Each Procedure | Daily | Weekly | Monthly | Disinfectant used | Method of Cleaning | Person who performed work |
|---|----------------------|-------|--------|---------|-------------------|--------------------|---------------------------|
| Bins, Pails, Cans Emptied and Disinfected | | | | | | | |
| Floors | | | | | | | |
| Walls | | | | | | | |
| Environmental Surfaces | | | | | | | |
| Touch Surfaces | | | | | | | |
| Transfer Surfaces | | | | | | | |
| Suction System Flushed | | | | | | | |
| General Cleaning | | | | | | | |
